

"I want to thank everyone who came to San Diego and participated in the last HFIA meeting. The presentations were very interesting and informative. Forward looking, we now need to plan for the next meeting which will be held somewhere in Europe. Thus I am soliciting anyone who is interested in hosting our next meeting. Ideally, it should be right before or after EUROSATORY (June 14-18, 2010, Paris, France) in order to minimize traveling. However, we are open to other offers. If you are interested in hosting our next meeting, please contact your HFIA chairman or your secretary as soon as possible.

Bruno Haineault, Chairman, HFIA"
